Let's make it better together

STAINLESS STEEL FIXATION BOLT WITH HIGH PULLING RESISTANCE

Item No. Quick-Fix

The new generation of the Quick-Fix can be reused completely many times thanks to its innovative design. Once mounted, the Quick-Fix keeps its position in the profile, even if the Quick-Fix is unscrewed. This way, the Quick-Fix guarantees an easy, fast and highly robust mounting, which resists to a pulling force of no less than 2000 lbs. Most Locinox products are fitted with the Quick-Fix.

- Patented mounting system out of stainless steel
- Very strong: 2000 lbs pulling resistance
- Innovative design which guarantees reuse of the Quick-Fix
- Available in two versions, for profiles with thickness till 3/16" and for profiles with thickness till 5/16"
